UNIFORM LIST

The official school outfitters are: **BILLINGS AND EDMONDS (B&E)**

Tel: 020 8742 0201 www.billingsandedmonds.co.uk

Items marked **B&E** must be obtained from them. All other items may be bought on the “high street” and a couple of items are available direct from school. Second hand uniform can be arranged by appointment through the school office.

EVERYTHING SHOULD BE CLEARLY MARKED WITH SEWN ON WOVEN NAMETAPES.

Some items need a **white hanging loop**. These are marked with a * on the clothing list. Please attach firmly in the centre of the long side.

All children are expected to have clean and tidy, sensible black school shoes. Shoe polish is provided at school for boarders.

All children are expected to have well-groomed hair. We would appreciate your checking that your child does not carry head lice (regular combing is the greatest defence). Girls' hair should be tied back if it is below the shoulders.

When in uniform, girls with pierced ears may wear one gold or silver stud earring per ear. These must be covered for games. **No other jewellery** is permitted during the school day.

Items of value such as watches, ipods, sports equipment, etc, must be clearly marked or engraved.

Money and mobile phones are NOT needed at school. Day children should not be sent to school with these items.

Mouthguards are obligatory for rugby and hockey. We recommend that they be professionally fitted. This can be done at school at the beginning of term. You will be contacted about school mouthguard fittings by letter.

The school buys/accepts used school uniform, in excellent condition, to sell as second hand. Please remove nametapes and hand to the matrons or house parents. Items bought can be accounted for on the end of term bill.

Children should have at least one short-sleeved polo shirt in their 'set' colour.

Danes: Green

Saxons: Yellow (**B&E** Gold)

Romans: Red

Vikings: Blue

It should say which 'set' your child is in on the front of this leaflet.
